REPORT OF THE INDEPENDENT AUDITORS ON THE SUMMARY CONSOLIDATED FINANCIAL STATEMENTS

To the Board of Directors of the World University Service of Canada

The accompanying summary consolidated financial statements of the World University Service of Canada, which comprise the summary consolidated statement of financial position as at March 31, 2015, the summary statement of operations and changes in net assets the year then ended, and related notes, are derived from the audited consolidated financial statements prepared in accordance with Canadian accounting standards for not-for-profit organizations, of the World University Service of Canada as at and for the year then ended March 31, 2015.

We expressed an unmodified audit opinion on those consolidated financial statements in our report dated June 20, 2015.

The summary consolidated financial statements do not contain all the disclosures required by Canadian accounting standards for not-for-profit organizations applied in the preparation of the audited consolidated financial statements of the World University Service of Canada. Reading the summary consolidated financial statements, therefore, is not a substitute for reading the audited consolidated financial statements of the World University Service of Canada.

Management's Responsibility for the Summary Financial Statements

Management is responsible for the preparation of a summary of the audited consolidated financial statements on the basis described in note 2.

Auditors' Responsibility

Our responsibility is to express an opinion on the summary consolidated financial statements based on our procedures, which were conducted in accordance with Canadian Auditing Standard (CAS) 810, "Engagements to Report on Summary Financial Statements".

Opinion

In our opinion, the summary consolidated financial statements derived from the audited consolidated financial statements of the World University Service of Canada as at March 31, 2015 are a fair summary of those consolidated financial statements, in accordance with the basis described in note 2.

2. Summary consolidated financial statements:

The summary consolidated financial statements are derived from the complete audited consolidated financial statements, prepared in accordance with Canadian accounting standards for not-for-profit organizations, as at March 31, 2015.

The preparation of these summary consolidated financial statements requires management to determine the information that needs to be reflected in the summary consolidated financial statements so that they are consistent, in all material respects, with or represent a fair summary of the audited consolidated financial statements.

These summarized consolidated financial statements have been prepared by management using the following criteria:

- (a) Whether information in the summary consolidated financial statements is in agreement with the related information in the complete audited consolidated financial statements; and
- (b) Whether, in all material respects, the summary consolidated financial statements contain the information necessary to avoid distorting or obscuring matters disclosed in the related complete audited consolidated financial statements, including the notes thereto.

Management determined that the consolidated statement of changes in net assets and consolidated cash flows do not provide additional useful information and as such have not included them as part of the summary consolidated financial statements.

The complete audited consolidated financial statements of the World University Service of Canada are available upon request by contacting the management of the World University Service of Canada.
